

Bone Radiol (B-R) Liniment

Bone Radiol (B-R) Liniment is a spirit liniment for horses and dogs. Relieves lameness and unsoundness due to hard, fibrous and bony enlargements, splints, spavins, ringbones, old curbs, thickened tendons and joints.

Active constituents:

- Camphor BP 12g/l
- Menthol 19g/l
- Strong liquid ammonia BPC 0.7ml/l
- Guaiacol BPC 135g/l
- Creosote 45g/l
- Glycerine BP 48.3g/L

Directions for Use:

Clip hair if long. Apply Bone Radiol Liniment sparingly with a small stiff brush, working the liniment well into the skin over the enlargement and not more than 25mm around it. Repeat when the first application has been absorbed. Dress daily for three days, miss three days & so on as required. For external use only. Use sparingly on sensitive animal skin. Apply sparingly, especially during the initial applications. Do not bandage immediately after application. Do not apply to irritated skin, or if excessive irritation occurs. If in doubt, consult your veterinary surgeon.

Safety directions: Highly flammable - do not smoke whilst using this product. Avoid contact with eyes and skin. Wear suitable gloves & avoid breathing vapour.
